Dear Mr. Tarr,

I am writing to let you know my concerns about the ACP. I am greatly concerned about the environmental impact of this unnecessary project. The poor and people of color are being disproportionately affected. Justice requires a full understanding of the effects of this massive disruption to people and nature. I urge you to use the full power of your office to advocate for full disclosure and complete review of the latest information sent to the DEQ by ACP, LLC.

Sincerely,

Reverend Ann Harrington
